PROFESSIONAL SUMMARY

Detail-oriented Multimedia Arts graduate with experience in freelance events, video production, editing, and creative project development. Proven ability to manage projects from concept to execution, with strong storytelling and visual communication skills. Brings a disciplined work ethic shaped by balancing academic and creative responsibilities, and a keen interest in producing purposeful and engaging media.

EDUCATION

STI College Novaliches

July 2026

Bachelor of Multimedia Arts

Related Coursework: Fundamental Design Principles, Graphic Design & Publishing, Animation (2D & 3D), Video Production & Photography, Interactive Media & Technology, Professional Development & Capstone

RELEVANT EXPERIENCE

Freelance Photographer, Videographer, Graphic Artist, and Editor

April 2026 - Present

Film Production Experience

- Developed and produced a capstone short film focused on breadwinner struggles ("PASANIN").
- Created narrative-driven content highlighting real-life social issues.
- Participated in the full production workflow, including planning, shooting, editing, and final output.
- Built brand and creative identity for "Aghimuan Creatives."

Freelance & Event Coverage (since 2019)

- Covered nightlife and club events, producing visual content for venues including Alibi Music Lounge and Corte Ibiza.
- Created video reels and promotional content for models and events.
